

Dear Parents / Guardians

Considering the requests of many parents aspiring to apply for LKG at St. Michael's High School, Patna, we are relaxing the upper age limit to 4 years to 6 months. Thus only those children who are born between **01-10-2019 and 01-10-2020 (3.6 to 4.6)** will be eligible for the admission process, **however others who are outside this window period are free to apply.** **Availing Application Form does not guarantee admission to St. Michael's High School.**
